

## *From George to all who stand so faithfully with us in prayer*

THANKS for praying for Alison! She is recovering well from hip replacement surgery: walking with a stick, driving but still sleeping fitfully.

Our oldest daughter, Julie, will come up the weekend after I leave and Eila, widow of the translator who got the Turkish Bible translated and published back in the 70's will be coming after her.

**Please pray for Alison while I am gone.**

I leave next Tuesday for a marathon visit to take part in a seminar for central Asian church planters to be held in Turkey. Then I meet with Bulgarian pastors to arrange a follow-up visit to a fledgling Turkish fellowship in North Macedonia. I will be doing quite a bit of driving alone in Bulgaria, then hopefully take a small team into Macedonia.

The Holy Spirit is prompting me with an impression that there is something else for us in Bulgaria and Macedonia.

**Please pray that I will not miss it!**

PASTORS ASAN & MUSTAFA. are preparing to accompany me on a follow-up trip to new Turkish believers in Macedonia. COVID-19 has taken some of these dear believers home prematurely, and I feel it is imperative we visit now with encouragement for those who are left. Pastor Asan twisted his knee last week and has just had surgery.

**Please pray that his healing would be fast and good and that this trip would come together with**

**the right people and in God's way.**

As mentioned above I will be taking part in a church planting seminar for Central Asians in Turkey. Some of those coming will have recently evacuated from Afghanistan.

**Please pray that the Lord would work through me, and others who will be ministering to these dear brothers and sisters. I have been seeking God for a deeper anointing to minister in the power and love of the Holy Spirit.**

### ON THE HOME FRONT:

Our local church in Durham (near the Scottish border) is giving us much encouragement and covering as I go. They have also invited GEORGE VERWER to come and challenge our church and students from the university to a greater commitment to go to the nations. Our Turkish friend in ministry, ENO hopes to join and share in these presentations.

**Please pray with us for a STUDENT MOVEMENT!**

Annelie has turned 21!  
Her parents, Bahadir and Indira and younger brother, Yigal have spent many sleepless nights wondering if she would emerge from the dark night of depression and delusions. She is much better now. Pray for this UYGUR family who take every opportunity to share Jesus in their adopted city of ISTANBUL.

Please pray that Annelie would remain well and walk in the paths God has prepared for her to walk in. Yigal is presently in Moscow with Baha to take exams concerning his future.

THANK YOU FOR YOUR PRAYERS FOR MY TRIP SEPTEMBER 22 – OCTOBER 27.  
I HOPE AND PRAY TO BE ABLE TO REPORT BACK ON WONDERFUL THINGS GOD HAS DONE!

FOR THE KINGDOM OF GOD IS NOT FOOD NOR DRINK BUT RIGHTEOUSNESS, PEACE AND JOY IN THE HOLY SPIRIT
